"NEIGHBORHOODS FIRST"

is about making sure your taxes work directly for you. It's about prioritizing your needs and ensuring that every dollar spent improves your streets, safety, and overall quality of life. With this approach, you'll see real improvements in your neighborhood.

NEIGHBORHOOD BUDGETING:

Prioritizing your needs by dedicating resources directly to improving your neighborhood.

FIX STREETS - Make your Streets Budget work for you
FIX DRAINAGE - Eliminate flooding and make our city bonds work for you

SAFER NEIGHBORHOODS - More police patrols and SAFTE officers in your neighborhoods for crime prevention

PROTECTING GREEN SPACES - More park space, keeping parks and greenbelts clean and safe

FINDING LONG-TERM SOLUTIONS FOR HOMELESSNESS ENCAMPMENTS

Have our bond elections work for us. "No special projects in our bond." Together, we can build a stronger, safer community where your neighborhood gets the attention it deserves.
